Dear Colleague,

Thank you for considering to refer your endodontic cases to me at the Red House Dental Practice.

I have over 14 years' experience in treating patients referred for endodontic treatment in both general practice and secondary care. As well as working in practice, I worked as a Specialty Dentist in Endodontics at the Charles Clifford Dental Hospital from 2006 to 2020. Being committed to post-graduate training and furthering my skills and knowledge I have completed the Post-graduate Diploma in Endodontology from the University of Chester.

Canal morphology lacking clarity

Endodontic re-treatments

Locating and obturating the second mesio-buccal canal

All patients will be initially assessed at a consultation to ensure that the diagnosis, prognosis and treatment options are discussed prior to undertaking any treatment.

Fee Guide	One Visit	Two Visit*
Incisors / Canines Premolars	from £485	from £630
Molars	From £585	from £690

Consultation £75.50 (*complex/sclerosed/ infected cases/re-treatments/through crowns)
(Post removal and direct post placement will be charged as extra)

On completion of treatment all teeth will be restored with a core. Following review, your patient will be returned to you with a copy of relevant radiographs and a full report.

If you have any questions or queries, or would wish to see the practice in action, please do not hesitate to contact me at the practice on **01653 693809** or by email at nitin@redhousedentists.co.uk.

I hope that both you and your patients find my service of value and help.

Kind regards,

Nitin Prasad
